

The Australian Pony Stud Book Society Federal Council and Federal Office would like to extend its heartfelt sympathy to the residents of Queensland and New South Wales who have been affected by rain and flood waters.

We hope that those who are missing are found safe.

For all members who have lost registration certificates or membership cards due to the floods, we would like to offer, where possible, the free replacement of these.

Please forward a written request from the nominee on the membership listing the ponies which require the issue of duplicate certificates to:

APSB Federal Office  
P O Box 57
